

23rd November 2011

Dear Parents, Guardians and Carers

**NATIONAL DAY OF ACTION
WEDNESDAY 30th NOVEMBER 2011**

I have now received notification from most of the unions with members who work at our school that they will be calling on their members to take strike action on Wednesday, 30th November.

Consequently, I have to inform you that Cherry Willingham Community School will be closed to all pupils for the whole of the school day on Wednesday 30th November. We have informed the relevant bus companies of this and, therefore, no school buses serving the school will operate that day.

The school will be open again for normal school hours on Thursday 1st December.

Yours sincerely

**Mr D G Rich
Head Teacher**
