Dear Parent, Guardian or Carer,

RE : Parental consent for sports fixtures

Each year the physical education department organise a large number of fixtures and sporting events which involves numerous pupils from across the school community.

To identify pupils who do not have parental permission to participate in extra curricular fixtures we are asking that your son or daughter returns this letter to the head of physical education as soon as possible.

The school should already have medical information and contact details for each pupil. Please can I ask that you update any new medical information that staff may need on the form below and return it to the school office.

Yours sincerely

Mr Dilks
Physical Education Subject Leader

PLEASE ONLY RETURN FOR PUPILS WHO CANNOT PARTICIPATE IN EXTRA CURRICULAR FIXTURES
